

2011 Toll Price Increase – FAQs

- 1. What are the new toll prices on Pocahontas 895?** At the Main Toll Plaza, there are two toll rates for 2-axle vehicles depending on the time of day. The toll price is \$3 during weekday commute times – between 6 a.m. and 9 a.m., and between 3 p.m. and 6 p.m. At all other times, including weekends, the toll price at the Main Plaza is \$2.75.

At the Main Toll Plaza, vehicles with three axles pay \$1 more than the \$3 toll price, at all times. A dollar more is charged for each additional axle, at all times. Thus a three-axle vehicle would pay \$4, and a four-axle vehicle would pay \$5, at all times.

At the Laburnum Avenue and Richmond Airport Connector Road ramps, the toll price is the same at all times - \$1.25 – for all vehicles, regardless of axle count.
